In addition to officers of the regular Army, the following categories are eligible for admission to the Enver Hoxha Military Academy:

- a. Newly-appointed officials of the Albanian Workers' Party who have completed at least four or five years of elementary school. After two years of training, persons in this category receive the grade of reserve warrant officer, or if they so desire may remain in the service with the rank of permanent warrant officer.
- b. Any civilian member of the party under 35 years of age who has completed military service. Such persons receive three months' training, at the end of which they receive the rank of reserve warrant officer.¹

- 1. [REDACTED] Comment: An interrogator's error is possible here, since this arrangement appears to give preferment to rank-and-file Party members over their hierarchs.
